Subscriptions

Six issues of *Chemistry International* (ISSN 0193-6484) will be published bimonthly in 2000 (one volume per annum) in January, March, May, July, September, and November. The 2000 subscription rate is USD 99.00 for organizations and USD 45.00 for individuals. Subscription orders may be placed directly with the IUPAC Secretariat. Affiliate Members receive *CI* as part of their Membership subscription, and Members of IUPAC bodies receive *CI* free of charge.

Reproduction of Articles

Unless there is a footnote to the contrary, reproduction or translation of articles in this issue is encouraged, provided that it is accompanied by a reference to the original in *Chemistry International*.

Periodicals postage paid at Durham, NC 27709-9998 and additional mailing offices. POSTMASTER: Send address changes to *Chemistry International*, IUPAC Secretariat, P.O. Box 13757, Research Triangle Park, NC 27709-3757.

The International Union of Pure and Applied Chemistry (IUPAC), formed in 1919, is a voluntary non-governmental, nonprofit association of organizations, each of which represents the chemists of a member country. Its objectives are as follows:

- to promote continuing cooperation among the chemists of the member countries
- to study topics of international importance to pure and applied chemistry which need standardization or codification
- to cooperate with other international organizations that deal with topics of a chemical nature
- to contribute to the advancement and understanding of pure and applied chemistry in all its aspects

The membership of IUPAC currently comprises 45 national organizations.
