IUPAC Wire
News and information on IUPAC, its fellows, and member organizations. See also www.iupac.org/news

The Project Place
Information about new, current, and complete IUPAC projects and related initiatives. See also www.iupac.org/projects

Making an imPACT
Recent IUPAC technical reports and recommendations that affect the many fields of pure and applied chemistry. See also www.iupac.org/publications/pac

Bookworm
Books and publications hot off the press. See also www.iupac.org/publications

Internet Connection
Providing brief overviews of helpful chemistry resources on the web. See also www.iupac.org/links

Conference Call
Reports from recent conferences and symposia. See also www.iupac.org/symposia

Where 2B & Y
Announcements of conferences, symposia, workshops, meetings, and other upcoming activities

Mark Your Calendar
Upcoming IUPAC-sponsored events. See also <http://www.iupac.org/indexes/Conferences> for links to specific event websites

Up for Discussion
A forum for members and member organizations to share ideas and concerns. Send your comments by e-mail to <edit.ci@iupac.org>.
